
2027 Palm Beach Breakthrough T1D Gala
Sponsorship Packet

Saturday, February 20, 2027

PGA National Resort
Palm Beach Gardens, Florida

Be known as the company that is helping to create breakthroughs for a world without type 1 diabetes.

Type 1 diabetes (T1D) is a relentless autoimmune disease that takes away the body's ability to produce insulin, a hormone essential for turning food into energy. It affects children and adults alike, striking without warning or cause. Today, there is still no way to prevent or cure T1D.

And yet, real progress is happening. Breakthrough T1D is reshaping the path forward through pioneering research, bold innovation, and tireless advocacy. Together with our partners, we are transforming the future of T1D at every stage of life: slowing its progression in those newly diagnosed, reversing it for people who have lived with the disease for years, preventing devastating complications, and protecting those at risk before the disease ever begins.

This progress is only possible because of champions like you. As a sponsor or partner of the 2027 Palm Beach Gala, your support raises the stakes for the T1D community – advancing discoveries, inspiring breakthroughs, and returning hope to the millions of families impacted by T1D. With your commitment, we can keep driving forward until we reach a cure.
