JDRF Promise Ball Gala-Don't Stop Believing
 Saturday, November 11, 2017
 The Phoenician Resort, Scottsdale, AZ

Imagine sailing through the turquoise blue waters of the Caribbean, golfing on a private golf course, or enjoying dinner with friends at your favorite restaurant. A unique hallmark of the Promise Ball Gala is the opportunity for a one-of-a-kind experience presented at the silent and live auctions. Each year these items come to us through personal connections or a personal ask to a friend or business.

If you would like to help create an amazing auction package or have a great connection to share, please contact **Kathy Decker** at kdecker@jdrf.org or 602.224.1812.

“CopperPoint Insurance Companies is a proud first-year supporter of the Arizona Chapter of JDRF. Our leadership and employees understand that corporate responsibility requires active engagement in the communities we serve by investing our time and talents to make Arizona a great place to live and work. In addition to CopperPoint Insurance Companies’ sponsorship of the JDRF One Walk and the JDRF Promise Ball Gala, our employees held multiple fundraisers. Since partnering with JDRF, CopperPoint Insurance employees have held a bake sale and gift basket raffle, pizza sale, and a JDRF sneaker sale competition. These efforts raised over \$8,000 for JDRF! CopperPoint Insurance Companies was delighted to match the funds secured by our associates donating over \$16,000 to JDRF! More than thirty employees participated on our JDRF One Walk team led by President & CEO Marc Schmittlein and his wife, Denise, whose family faces type 1 diabetes every day. Prior to joining CopperPoint in 2016, Schmittlein served as honorary chair of the Western Connecticut Chapter of JDRF. We are excited to continue to partner with the JDRF Arizona Chapter.”

Now Accepting Camp Applications

JDRF is thrilled to continue funding of a summer camp experience for Arizona's T1D community. When Camp Soaring Eagle closed its doors in June, the team at the Arizona Chapter sprang into action in seeking a new camp venue! After extensive research and interviews, we have elected to partner with the Triangle Y Ranch Camp in Oracle, Az. We extend our gratitude to 100 Women Who Care for their grant to fund this year's summer camp session.

Priority will be given to 1st time applicants. We encourage T1D's ranging from age 7-15 years old to apply.

Please note: we do not have access to applications submitted previously to Camp Soaring Eagle; we apologize for this inconvenience.
