

A Special Thank You to all that supported and attended our 2017 TypeOneNation and PEAK Summit on March 3 and March 4!

Over 350 individuals attended the 2017 TypeOneNation summit.

Over 70 teachers attended this event and participated in our "Day in the Life of a Type 1 Diabetic" simulation and received chance to experience some of the challenges those with Type 1 face daily.

Did You Know?

More than 130 school nurses were educated about Type 1 diabetes and how to best keep your child safe.

Attendees had the opportunity to attend 5 breakout sessions which included an Endocrinologist Panel, Diabetes in School Setting, Integrative Medicine and Culinary Medicine.

Over 12 vendors were present sharing information on the latest technology for Type 1 diabetics.

Information presented was relevant to both healthcare professionals as well as parents and people with T1D.

Over 350 individuals attended this event.

Event was attended by a variety of health care professionals including Pharmacists, MDs CDEs, Nurses and Nutritionists.
