

**Don't stop believing;
staying motivated.**

A Diabetes Symposium

**Sunday,
September 22, 2019**

Long Island Jewish Medical Center
Teaching Center – lower level
269-01 76th Avenue
New Hyde Park, NY 11040

Program:

Registration/Buffer Lunch	12:00pm
Opening Remarks	12:45pm
Margaret Pellizzari, Diabetes Program Manager	
Kyle Cochran	1:00pm
Juan Domínguez-Bendala, Ph.D	1:45pm
Andrew Rakeman	2:20pm

This program is free of charge. We would like to thank our vendors for their generous support.

The Cohen Children's Diabetes Symposium, presented by the Division of Pediatric Endocrinology is designed to foster a better understanding of the social and psychological issues faced by children with diabetes and their families.

Guest Speakers

Kyle Cochran, competed on Seasons 4, 5, 6, and 7 of the nationally broadcasted television series, American Ninja Warrior. Kyle will share how his life-long love of competition and insulin pump therapy have helped him achieve success in life.

Juan Domínguez-Bendala, Ph.D., is Director of Stem Cell Development for Translational Research and Research Associate Professor of Surgery at the Diabetes Research Institute, University of Miami Miller School of Medicine.

Andrew Rakeman, Ph.D., is the assistant vice president for research at JDRF, where he oversees all of the research programs to prevent and cure type 1 diabetes (T1D).
