FAQs

Are there ID or minimum age requirements to enter the event?

No, there are no minimum age requirements to attend Community Summit—all ages are welcome to attend. The Youth and Teen Program is available for children with type 1 diabetes (T1D) and their siblings in kindergarten through 12th grade. Although there are volunteers in the Youth and Teen Program room, parents/caregivers are responsible for their child's diabetes management during the event.

Is there a cost to attend the event?

Thanks in part to the generous support of our sponsors and vendors, there is no cost to attend Community Summit Boston. A light breakfast and lunch are included. Please note attendees are responsible for covering all transportation and parking costs. See below for additional parking information.

In addition, please inform us as soon as possible if your plans change and you can no longer attend the Summit, as the chapter incurs significant expenses to hold the event.
