

Walk Team Locations at Mall of America:

Thank you for registering your team for the JDRF Walk to Cure Diabetes at Mall of America!

Every year, we assign teams a meeting location at Mall of America for Walk Day to ease congestion and to make meeting teams easier. We attempt to keep teams in the same location every year but sometimes this is not possible.

Please check this list to see where your team is listed for this year then communicate this to your walk team members.

If you have a very small team and/or you are arriving together, you do not **need** to use the assigned location - you can start the Walk from any point within the Mall but suggest starting on the second or the third floors as the first floor gets very congested. Please do not meet at any of the coffee shops.

THIS IS THE FINAL TEAM MEETING LOCATIONS LIST. If your team is not on this list and you want to meet your team somewhere in the Mall, please meet by **Moose Mountain** on the **THIRD** floor **NORTH** side.

Note: The Location shows the side (North, South, East or West) then the first number is the FLOOR - for instance, N258 would be located on the North Side on the 2nd Floor.

All FAMILY TEAMS NEW to the One Walk will meet at the New Family area, located on the first floor, North side hallway into Nickelodeon Universe. Thanks so much for your participation and support of the JDRF One Walk!
