What is **Type 1 Diabetes**?

Type 1 diabetes (T1D) is a chronic autoimmune disease in which a person's pancreas stops producing insulin, a hormone people need to get energy from food. T1D strikes both children and adults, and its onset has nothing to do with diet or lifestyle. People with T1D depend on external insulin, via injection or infusion with an insulin pump, to survive. There are no cures. Breakthrough T1D is working to change that.

About **Breakthrough T1D**

As the leading global type 1 diabetes (T1D) research and advocacy organization, Breakthrough T1D helps make everyday life with T1D better while driving toward cures. We invest in the most promising research to turn ideas into life-changing therapies and devices. We work with government, regulatory officials, and insurance companies to address issues that impact the T1D community—breaking through barriers that limit access to care worldwide. We provide resources and guidance that makes it easier to live and thrive with T1D. This is more than a moment—we're powering a movement for the T1D community. Share your support and help educate and empower individuals facing type 1 diabetes.

About the **Invited Employee Care Fund**

The Invited Employee Care Fund was created to help Charitable Class members (eligible Invited employees) who are in need of immediate financial assistance following an unforeseen disaster or personal hardship. The Fund relies on support from the sponsoring organization (Invited/ ClubCorp Employee Partner Assistance Fund) and individual donations made by Invited/ClubCorp Employee Partner Assistance Fund's members, employees, and/or the general public. Every donation makes a difference, no matter the amount, and combined with the donations of others, helps to provide grants when they are needed most.

Emergency Assistance Foundation (EAF) is the third-party administrator for the Fund. EAF independently administers all Fund activities, including accepting donations, objectively reviewing grant applications, and awarding and distributing grants. The sponsoring organization has no visibility into individual applications or grants unless an applicant opts in to share certain details under specific circumstances. <https://eafrelieffund.com/m/Invited>
