## Why Partner with

## Breakthrough T1D™ Rocky Mountain

As the leading global organization for type 1 diabetes (T1D) research and advocacy, Breakthrough T1D is committed to improving daily life for people living with T1D while accelerating the path toward cures. We invest in the most promising scientific innovations, transforming bold ideas into life-changing therapies and technologies.

We collaborate with government, regulatory leaders, and insurance partners to remove barriers to care, and expand access for the T1D community worldwide. Through trusted resources, education, and support, we empower individuals and families to live confidently and thrive with T1D.

This is more than a moment—we are powering a movement. By sharing your support, you help us educate, uplift, and strengthen everyone affected by type 1 diabetes.

Our mission is clear: to improve lives today and tomorrow by advancing breakthroughs to

treat, prevent, and ultimately cure T1D and its complications. Guided by a singular purpose, we work every day to ensure that while we drive toward cures, life with T1D becomes safer, easier, and better for all who face it.

The Rocky Mountain Bloom Gala is a premier fundraising event that brings the T1D community together for an unforgettable evening of inspiration and impact. This signature occasion attracts social, business, and civic leaders from across the greater Denver area. Our 2025 Gala raised over \$884,000 to fund critical research for the T1D community.

Your tax-deductible sponsorship offers valuable visibility and distinct brand alignment with Breakthrough T1D through its websites, publications, and social media. And, with an average of 400 guests attending each year, our partners are afforded unique, cost-effective market exposure.
