

SCHOOLING DIABETES

tips and tricks
to educate your educators

Knowledge is power.

- Get tips and tricks on T1D school management for all ages
- Learn about starting a 504 plan or IEP
- Participate in small group discussions with families and outreach volunteers experienced with diabetes-related school topics
- Connect with other T1D parents

Refreshments will be provided.

Join JDRF for a Transitions Series Event

SCHOOLING DIABETES: tips and tricks to educate your educators

Southeastern Wisconsin Chapter – Kenosha/Racine Area

Is your child newly diagnosed? Do you have questions from last year's school experience? Are you preparing to transition schools or wondering what this next grade will bring? Schooling Diabetes provides information around specific stages and ages to help you develop a solid plan and prepare your child's educators.

Monday, May 6, 2019 | 6:00-8:00PM

Kenosha Public Library - Northside

1500 27th Avenue

Kenosha, WI 53140
