

# JDRF Tweens & Teens: Fun & Facts at Lasertag Adventure

---

**Sunday, February 9, 2020 | 6:30 - 9:00pm**  
**Lasertag Adventure**  
**1814 Dolphin Drive, Waukesha**

**Connect with the T1D community while enjoying a  
fun evening of lasertag and arcade games!**

Navigating the pre-teen and teenage years with type 1 diabetes can be challenging. This community engagement event helps connect parents, tweens, teens and caregivers to others in the T1D community, while providing information on the latest research advancements and resources JDRF provides to help families manage life with T1D.

- Friends and family are welcome!
- Representatives from JDRF will be on hand to answer questions.
- Recommended for ages 11 - 18.
- Includes pizza and refreshments.

***This event is provided free of charge. Space is limited!***

***Register by Wednesday, February 5th by visiting: <https://sewi-lasertag.eventbrite.com>***
