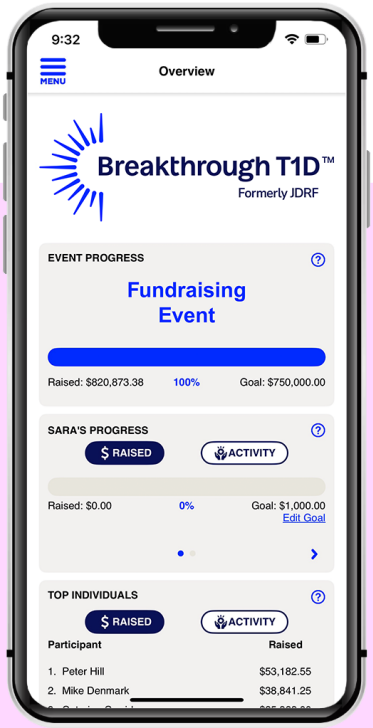
New Breakthrough T1D Fundraising App!

Take another step toward a world without type 1 diabetes (T1D)

The new Breakthrough T1D Fundraising app is a powerful tool that will help you raise more funds for critical T1D research and reach your goals–right from the palm of your hand! In fact, fundraisers who use the app on average raise up to 3 times more!



Customize your fundraising page

Customize your fundraising page with a message about why you raise money for T1D research. Update your photo and add a fun sticker or frame!

Pro tip

Personalize your experience by adding pictures or videos easily from your camera roll.

Send texts, emails and messages to ask for support

Extend your fundraising reach and promotion by creating a QR code or sending updates through Facebook, email, SMS or LinkedIn.

Pro tip

Schedule periodic posts on LinkedIn to automatically update your supporters leading up to your event day.

Expand Your Reach Amplify your impact by linking your Breakthrough T1D fundraising page to Facebook. Participants who use Facebook Fundraisers raise five times more on average.

Deposit Checks and Track Fundraising Progress Use the mobile check deposit feature and watch your donations appear on your fundraising thermometer in real time. No more printing forms or mailing in checks! Earn badges as you fundraise, too!

Be the First to Know! We'll communicate about your event day and send important updates through the app. Be sure to say "yes" to allowing app push notifications, so you are always in the know!

Getting Started is as Easy as 1–2–3!

1. Simply scan the QR code or visit the Apple App Store or Google Play on your device.
2. Search for "Breakthrough T1D Fundraising," and follow the steps to download and launch the app.
3. Log in with the username and password you created during registration.
