Friday, August 12 • 8:30 am - 2:00 pm

Children with type 1 diabetes (T1D) and their parent or guardian are invited to spend the day learning, laughing and making new friends while finding out more about T1D management. T1D Kids Day offers both children and parents an opportunity to connect with others impacted by T1D.

New format and activities in 2016!

- Participate in fun games and activities allowing for small group interaction and active involvement, including a session exclusively for T1D teens!
- Be inspired by Becky Furuta, an elite amateur women's cyclist with Team Novo Nordisk, a group of cyclists, triathletes and runners living with T1D. Becky is one of 15 female riders from different countries around the world. She enjoys combining her passion for cycling with inspiring others to pursue their goals while living with T1D.
- T1D Kids Day is for children in **grades 4K-8** (Fall 2016) and at least one parent or guardian must attend the event with their child.
- Parents and guardians enjoy engaging round-table sessions while kids participate in educational and supervised activities.

Acceptance of Terms

This is an event intended for children and parents/guardians to learn more about diabetes and management. The medical care of your child and the supervision of your child is your responsibility. Diabetes professionals will be available for advice. Child care for other family members will not be provided during the event.

I understand that I retain responsibility for my care and the care of my child while attending T1D Kids Day. I agree to indemnify the staff and sponsors of T1D Kids Day in the event of any injury sustained by my child or me while attending the camp. I further understand that my child must be accompanied by a parent or guardian throughout the day of the event and that childcare will not be provided.

I understand that pictures of participants may be taken throughout the day of the event. I hereby give permission for the use of my child's picture and my picture in conjunction with publicity for or reports of T1D Kids Day, either by the sponsors or others associated with T1D Kids Day. Such pictures may be used by Novo Nordisk for internal and external publications that mention T1D Kids Day. I waive any right to payment for the use of such pictures.
