

2013 JDRF RIDE VENUE WEBINARS

The JDRF Ride Department is excited to announce that we will be providing Ride Venue webinars for the 2013 season. This is a great opportunity to hear more detail about your ride venue of choice, specific course information and overall ride day logistics. This opportunity will not only help better prepare you for ride day, but it will also help answer any questions you might have if you are undecided about registering for a 2013 JDRF Ride. These webinars will be led by Chuck Hodge of Palmetto Event Management as well as select JDRF coaches.

JDRF will be hosting these 1 hour webinars for each of our six Ride venues during the week of April 1st. For anyone that is unable to attend the webinars, the sessions will be recorded and made available to share upon request.

If you have any questions or concerns, please do not hesitate to contact Lindsay Grubiak lgrubiak@jdrf.org. If you plan on attending, please plan on registering ahead of time using the links below. Thank you and we hope you will join us!
